Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

The prior art fail to teach or fairly suggest the limitations cited in claim 1 including the numerous steps needed such as:

- filling the half-etched cavities with insulator; and forming drilled vias within the half-etched cavities wherein side edges of the drilled vias are insulator and not metal, wherein bottoms of the drilled vias reach the metal sheet substrate.

As argued by applicant, these steps would overcome the limitations cited in the specification on sections [3] and [4] and thus, provide the advantages discussed on section [5] of the specification.

Accordingly, claims 1-7 and 9-19, as amended are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
